Please note:

Statistics (revised in 2026) now include all senior and Junior appearances in 'standard rules' matches (U9/U11 softball/paired non-standard matches are not included but count as appearances). U9/U11 non-standard statistics are available separately. In-club matches (e.g. Presidents, friendly internal matches) and softball matches are not included therefore these 'official' statistics may vary from those available on Play-Cricket.

Qualification: 50+ appearances.

A big thank-you to our main shirt sponsors,
ground & player sponsors, Vice-Presidents
and our large team of volunteers
